

The " I DARE prayer"

I dare to LOVE each moment
even if I am afraid of being hurt.

I dare to live in TRUST that all is well
I dare to let go of GUILT for whatever reason
I dare to let go of SHAME even if I feel others
will blame me.

I dare to feel WORTHY under all circumstances
I dare to be BRILLIANT even if I feel others
may be jealous

I dare to SPEAK TRUTH even if it may cause
temporary chaos.

I dare to be UNIQUELY ME.

I dare to do SPIRITS CALLING
even if others may threaten me to stop

I dare to GIVE MYSELF back to SOURCE
to unite my soul and become the being I know
myself to be.
